Please consider our commercial offer for the supply of rehabilitation and assistance products for people with disabilities.

Our organization has been operating in the medical products market since 1993. Confirmation of this is the presence of licenses for the sale of medical products. In recent years, exclusive contracts have been signed with importers for the following products:

- rehabilitation products (wheelchairs, medical beds, anti-decubitus mattresses, sanitary equipment, exercise equipment, etc.)
- medical products (gloves, dressing materials, catheters, etc.)
- health products (bandages, corsets, inhalers, etc.)
- equipment for medical institutions (electrical equipment, furniture, etc.)

We work with various payment methods:

- Non-cash (with or without VAT)
- Cash

We are ready to fully consider your wishes and meet the needs of your organization.

Yours sincerely, **MED1 team**
